EXAMINER INTERVIEW SUMMARY RECORD

05/12/92

All participants (applicant, applicant's representative, PTO personnel):

(1) Atty. Reena Kuyper

(3)

(2) Exr. Thomas W. Brown

(4)

Date of interview April 29, 1992

Type: ☒ Telephonic ☐ Personal (copy is given to ☐ applicant ☐ applicant's representative)

Exhibit shown or demonstration conducted: ☐ Yes ☒ No. If yes, brief description:

Agreement ☐ was reached with respect to some or all of the claims in question. ☐ was not reached. (N/A)

Claims discussed: 62 and 71

Identification of prior art discussed: None

Description of the general nature of what was agreed to if an agreement was reached, or any other comments: Atty. was told that amendment faxed in 3/5/92 was not matched with this file before the action of 4/16/92, because the fax cover sheet had the wrong serial number. Exr. will have the misdirected amendment entered in this file. The amendment is not found to necessitate a supplemental action. In his further review of this file, the exr. noted at claim 71, lines 8-9, a term, "the calling number", which lacks antecedence, like the same term as noted in Section 7 of the first action. Atty. said she would address that in the response.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

Unless the paragraphs below have been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW (e.g., items 1-7 on the reverse side of this form). If a response to the last Office action has already been filed, then applicant is given one month from this interview date to provide a statement of the substance of the interview.

☒ It is not necessary for applicant to provide a separate record of the substance of the interview.

☐ Since the examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action.
